1. Agree that prior to participating, or in the case of a minor participant, the parent(s) or legal guardian(s) will instruct the minor participant that prior to participating, he or she should inspect the facilities and equipment to be used, and if the participant believes anything is unsafe, he or she should immediately advise his or her coach or supervisor of such condition(s) and refuse to participate.

## Calendar Year 2012 Membership

### Code of Conduct

In consideration of being allowed to be a member of the Tualatin Hills Dive Club (THDC) through **December 31, 2012**, the undersigned agrees to abide by the THDC Code of Conduct, which exists to promote the best possible performance and favorable image of the THDC and its members:

**GENERAL CONDUCT:**

1. Illegal use or abuse of alcohol, tobacco or drugs is unacceptable and is a violation.
2. If a diver, of any age, is visibly under the influence of alcohol at or around the pool or other competition-related activity venues, this diver will be in violation.
3. Indiscreet, destructive, disrespectful or any other behavior considered to be detrimental to the THDC is a violation. Every effort should be made to avoid "guilt by association" with such activities. This rule applies to divers and their parents, guardians, spouses, children, other relatives and friends.
4. Anyone encountering any unlawful incidence with police or security (with the exception of minor traffic offenses) will be in violation.

**CONDUCT FOR AWAY MEETS OR TRIPS:**

1. Divers will abide by the rules set forth for them by coaches, parents, chaperones, and/or host families.
2. Divers under the age of 18 must have a designated adult chaperone. Furthermore, it is a violation for unrelated divers under the age of 18 to spend time together in a hotel room unless: 1) there is an adult chaperone present, or 2) the hotel room door is ajar and the room curtains are open. As a general rule, unrelated divers under the age of 18 may not share a hotel room without an adult chaperone staying in the room as well. The THDC Head Coach and/or Board of Directors can waive this rule on a case-by-case basis for divers who have convincingly demonstrated responsible attitudes, actions and behaviors.
3. A diver 18 years of age or older is in violation if he/she fails to inform the attending THDC coach of his/her whereabouts when independently engaging in activities away from the other attending THDC members. This rule is for normal safety accountability when traveling.

THE BOARD OF DIRECTORS AND/OR THE SUPERVISING COACH CAN ASSIGN ONE OR MORE OF THE FOLLOWING PENALTIES FOR VIOLATIONS OF THE CODE:

1. Withdrawal from practice/competition and forced departure from an away meet at the violator's expense.
2. Suspension or restriction of participation in designated Club activities.
3. Permanent dismissal from the THDC.

**I/WE HAVE READ THE ABOVE CODE OF CONDUCT AND UNDERSTAND AND ACCEPT ALL OF THE INFORMATION CONTAINED THEREIN.**
