2011 Other Fees

- **New Member Fee** **\$50**
- **Annual Administration/Insurance Fee** **\$50** (billed on August 15th)
The purpose of this fee is to cover the administration and insurance costs associated with the THDC’s membership in the AAU and USA Diving.
- **Away Meet Coach Travel Fee** **\$100** per away meet
Depending on the situation, the fee may be charged the month prior, the same month, or the month after the away meet. An exception to this policy applies to members who qualify for and attend the USA Diving Junior (or Senior) National Championships. There shall be no fee charged to members who bring national recognition to the THDC by competing at these prestigious, elite-level competitions.
- **Inactive Diver Fee** **\$25** per month
Members who are granted “inactive” status will be charged this monthly fee in lieu of monthly dues. See the “Inactive Diver Policy” of the THDC Handbook for specific information about this policy.
- **THPRD Frequent User Pass** **Variable**, depending on residency
THPRD requires all THDC participants to purchase this facility-use pass. Contact THPRD for details.
- **AAU and USA Diving membership** **Variable**, depending on level of membership
Contact Head Coach Joe Lyons for additional information.

All payments must be received by the THDC Bookkeeper on or before the 10th day of each month. A \$25 late charge will be added to the next month’s bill if payment is not received, in full, by that deadline. Members who miss two consecutive monthly payments or who maintain a past-due account balance greater than \$500 will have their participation privileges suspended until all outstanding debt is paid in full.
